In reply to yours of the 19th in regard to the name and address of our Attorney I am pleased to say that in my fifteen years with the Union we have only one had to use an Attorney and that was in regard to defend a Brother member and was of a minor case, so we do not have recourse to anyone at this time.

When we have any court cases over a contract, which has happened only once, we called upon Mr. Fra ncis Doherty, whom I beleieve is the Attorney of Joint Council #10 of which we are affiliated.

Deer Sir & Brother:

In compliance with your request by letter of August 19, 1953, with refsrance to attorneys who represent our local union in legal matters. At present and in the past we have been using Mullinax & Wells, attorneys representing the Southern Conference of Teamsters. This is done on the recommendation of our Southern Director, Murray W. Miller, and also because we find this much less expensive than employing an attorney in the jurisdiction of Local 516.

By employing attorneys from the Southern Conference of Teamsters, or Mr. Well's office, we find that they have our organisation at heart and really get in there and work to win the cases given them by Local Union 516.

I hope the above is the information you desire.

However, we do have Mr. Ted Withers, whose address is 43 North Sierra Street, Reno, Nevada, on a small retainer fee basis, with the thorough understanding that Mr. Tobriner's office handles all cases on our behalf. The reason for having the Reno attorney is that there must be a local attorney, admitted to the bar in the State of Nevada, associated with all court cases.

In re: LEGAL COUNSEL FOR UNION

Dear Sirs and Brothers:

You are hereby advised that the legal matters of this union are handled by FRANK J. GILLESPIE, the undersigned, who has been attorney for Local 754 since his admittance to the bar in 1927.

In conjunction with my duties as Secretary-Treasurer, I handle all legal details for our union, such as:-

Arbitrations
Preparation of contracts.
Determination of legality of any economic action by union.
Wage and Hour matters.
NLRB matters.
Advice on Workmen's Compensation matters.
Defense litigation against the union or its officers in local courts.
Counsel for Pension Fund.

It is our understanding that there will be a meeting of all the attorneys for the various unions some time in September in St. Louis. I will be very pleased to obtain details about this conference as we have been having considerable difficulty before the National Labor Relations Board with several of the fluid milk companies who are attempting to break our contract by opening up subsidiary branches at a lower wage scale with other independent and CIO labor unions.

Re:Local Union Attny:

Dear Sir and Brother:

In answer to your request regarding our attorney, we are still paying a retaining fee to Clyde Patterson attny at Law.

As you know Ray Hansen had made the arrangement before you placed me here in Ogden, and he has handled the Cache Valley Cheese Plant dispute, and we were fearful if we dismissed him that he might withhold the nessessary information to win our case.

Ed Gossner Mgr. of said cheese plant has filed suit against us for $150,000.00 and we can not afford to lose this case.(as we dont have quite that much petty cash)

If any new developments which require the advise or services of an attorney should arise we will use Clarence Beck's office.

Dear Brother Mohn:

Although the law firm of Padway, Goldberg and Previant represents some of the local unions which are affiliated with this Council, I cannot actually state that the firm also represents Joint Council No. 50.

Recent additions to the total number of local unions in the Council has created a situation wherein arrangements have not been made to retain legal counsel.

It is likely, however, that any matters concerning the Council will be placed in the hands of Padway, Goldberg and Previant.
